## LEGGEREZZA IN CUCINA

In cucina la passione per le cose buone diventa passione per le cose belle: la serie CHEF nasce dalla volontà di offrire qualcosa di nuovo senza perdere di vista l'essenza. Niente fronzoli, nessun eccesso: linearità e uniformità tra canna e corpo per interpretare la leggerezza come icona dell'alta cucina contemporanea. Il tradizionale sistema di aggancio del supporto doccia viene sostituito dall'innovativo aggancio con magnete per creare una linea di rubinetteria per cucina che esprime al massimo gli elementi propri del made in Italy: design, qualità dei materiali, funzionalità, affidabilità e durata nel tempo..

## LIGHTNESS IN THE KITCHEN

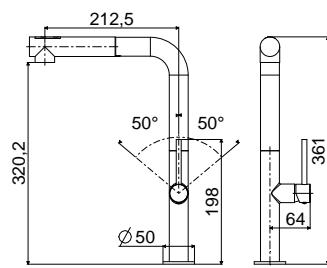

*In the kitchen, the passion for good things becomes a passion for beautiful things: the CHEF line comes from the desire to offer something new without losing essence. No frills, no excess: linearity and uniformity between the spout and the mixer body to render the lightness as an icon of the contemporary haute cuisine. The traditional attachment system for the shower support is replaced by the innovative hook with magnet, creating a line of kitchen taps as expression of "Made in Italy" concepts: design, quality of materials, functionality, reliability and durability.*

## ELEGANZA E SEMPLICITÀ

Sono questi i due principi ispiratori che hanno portato alla nascita delle nuove linee di rubinetteria ELLE e EFFE.

Linea squadrata e profilo pulito, per amplificare un senso di eleganza e modernità che rendono queste serie adattabili ad ogni tipo di ambiente.

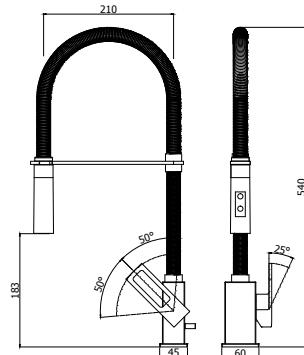

La cura del dettaglio si accompagna alla cura della funzionalità: un design di alta gamma si unisce ad una tecnica e componentistica di elevata qualità. Leva aperta per la serie EFFE, leva chiusa per la serie ELLE.

Due varianti di design per una serie unica nelle sue linee essenziali.

**ELEGANCE AND SIMPLICITY**

These are the two key factors that have led to the realization of our new EFFE and ELLE mixers lines. Square line and clean profile to amplify a sense of elegance and modernity that makes these series suitable for any environment. The attention to detail is accompanied by the care of functionality: a high-end design is combined with technique and components of high quality. Open handle for EFFE and closed handle for ELLE. Two design variants for a unique series of essential lines.

© RO 987CR

## GRINTA E GENTILEZZA

Il Rock fece irruzione nel mondo della musica, portando qualcosa di mai sentito prima, di accattivante, raccogliendo elementi classici e tradizionali ma producendo un feel nuovo e vivo. Allo stesso modo la serie Rock nasce da un'esperienza di forma classica e discreta, ma elabora le sue linee per produrre qualcosa di geniale: le innovative geometrie impreziosiscono il contesto come un assolo arricchisce una melodia.

Questa serie si presenta con una grinta decisa, con energia e carattere, quasi aggressiva; eppure mitigato nel carattere dalle sue linee tondeggianti, che fondono in maniera armoniosa i volumi tondi e le linee rette.

## GRIT AND KINDNESS

*The ROCK broke into the world of music, bringing something never heard before, captivating, collecting classic and traditional elements but creating them new and alive . Similarly the ROCK series is classic and discreet form of experience but draws its lines to produce something brilliant: innovative geometries embellish the context as a musical solo enriches a melody.*  
*This collection presents itself as a determined grit, with energy and character, almost agressive, but lightened by its rounded lines, mixing harmoniously round volumes and straight lines.*

## INNOVAZIONE

Prima gamma di rubinetteria prodotta con lavorazione interamente da barra, la serie BIRILLO ha rappresentato nei primi anni 2000 un'innovazione tecnica ed estetica di altissimo livello. Ancora oggi rappresenta un mix di grande successo tra design e praticità di utilizzo, le sue forme pulite e lineari lo rendono il perfetto complemento di arredo di qualsiasi ambiente.

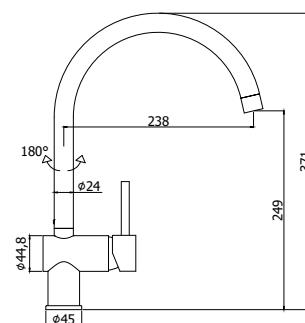

## INNOVATION

*BIRILLO series is the first range of taps produced entirely by brass-bar machining; in the early 2000s it represented a technology and aesthetics innovation of the highest level. Still today it is a mix of great success between design and usefulness; its clean and linear shapes make it the perfect complement to any room decor.*

## RISERVATEZZA

Linee gradevoli e discrete in grado di trasformare un semplice rubinetto in un piccolo oggetto di design, capace di imporsi come elemento senza tempo grazie alla sua estetica non invadente.

Un rubinetto dalle dimensioni contenute e aeratore a scomparsa che guarda al futuro in modo propositivo. Basti pensare al nuovo Lavello da Cucina Professional che in soli 46 millimetri di diametro del corpo nasconde in realtà una personalità all'avanguardia grazie alla possibilità di scegliere la molla di colore nero opaco e all'innovativo sistema di supporto a calamita.

## DISCRETION

*Pleasing and discrete lines able to transform a simple tap in a small object of design, capable of attracting attention as a timeless element due to its non-invasive aesthetic. A compact size faucet and a concealed aerator looking to the future in a purposeful way. Thinking the new Professional Kitchen Sink mixer that in just 46 mm diameter-body hides an avant-garde personality with the ability to choose the matt black spring and a support with innovative magnet system.*
